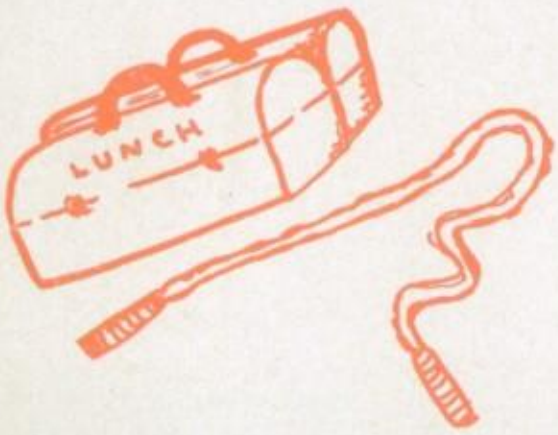
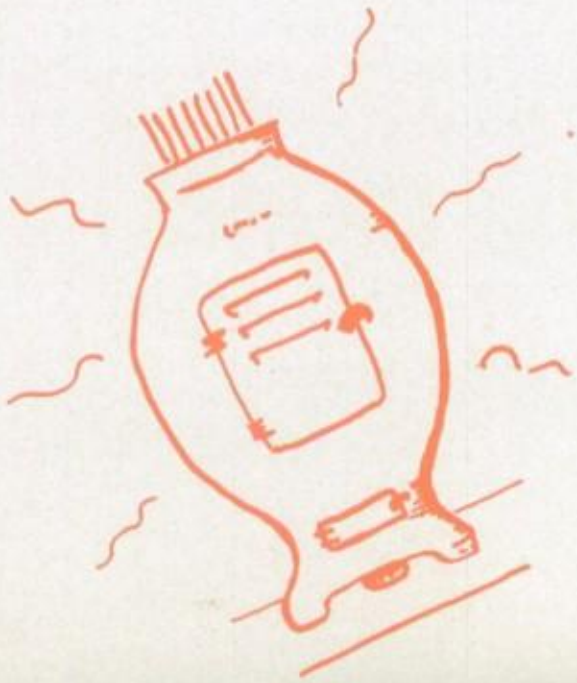
SCHOOL DAYS

School days, school days,
Dear old golden rule days
Readin' and 'ritin' and 'rithmetic,
Taught to the tune of a hick'ry stick,
You were my queen in calico,
I was your bashful barefoot beau,
And you wrote on my slate,
"I love you, Joe,"
When we were a couple of kids.





THE LITTLE RED SCHOOLHOUSE

To the world of today we present the "Little Red Schoolhouse," which was the cradle of learning in the world of yesterday.

Well-remembered are the games played before the schoolhouse door; the long trudges through the deep snow on cold winter days; the coats on hooks lined along the front entry; the lunch buckets stored on the shelf above; the crowding around the pot-bellied stove in frigid weather; the dipping of Susie's long golden braids into the black, black ink; the hard wooden benches at the double desks; the slates on which were written the lessons of the day; and the spelling bees held each Friday.

Within the four walls of the "Little Red Schoolhouse" were taught not only the "Three R's" but also the principles which have unified and preserved our democracy. The pages of the story of America's progress are highlighted by the lives of noble men and women who acquired therein not only the rudiments of knowledge but also the tenets upon which were based their strength of character.

We pay tribute to the "Little Red Schoolhouse," the honored ancestor of the school of today.

To the world of tomorrow we present the school of today, which is the modern center of learning for tomorrow's citizens.

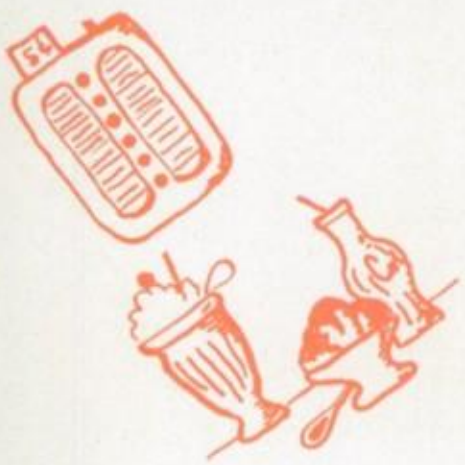
Cherished will be the memories of the varied activities within her halls—the friendships made, school dances, the Prom each spring, the auditorium programs, the athletic games, out-of-town trips to music contests, and finally the thrill of graduation.

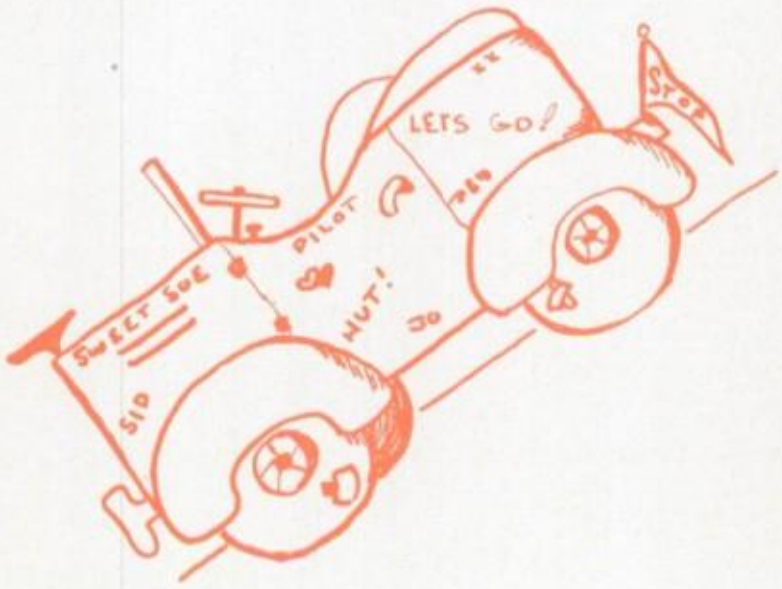
Within her spacious halls modern education is geared to meet tomorrow's needs. The educational program has been expanded in keeping with the tempo and needs of the time. Of deeper significance, however, is the realization that the economic, social, and cultural principles instilled herein must send us forth so imbued with a spirit of unity and democracy that the modern school may serve the world as the "Little Red Schoolhouse" served the nation.

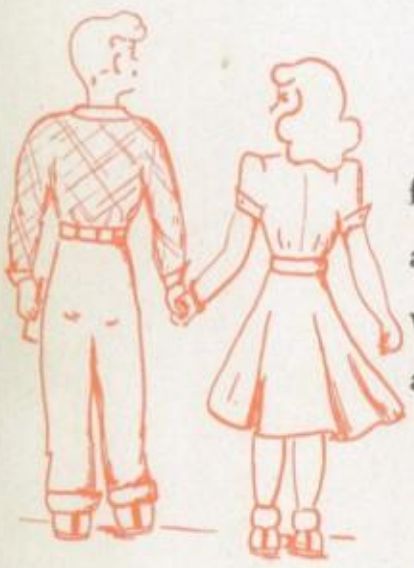
We pay tribute to the school of today, the great hope of the world of tomorrow.

SCHOOL DAYS

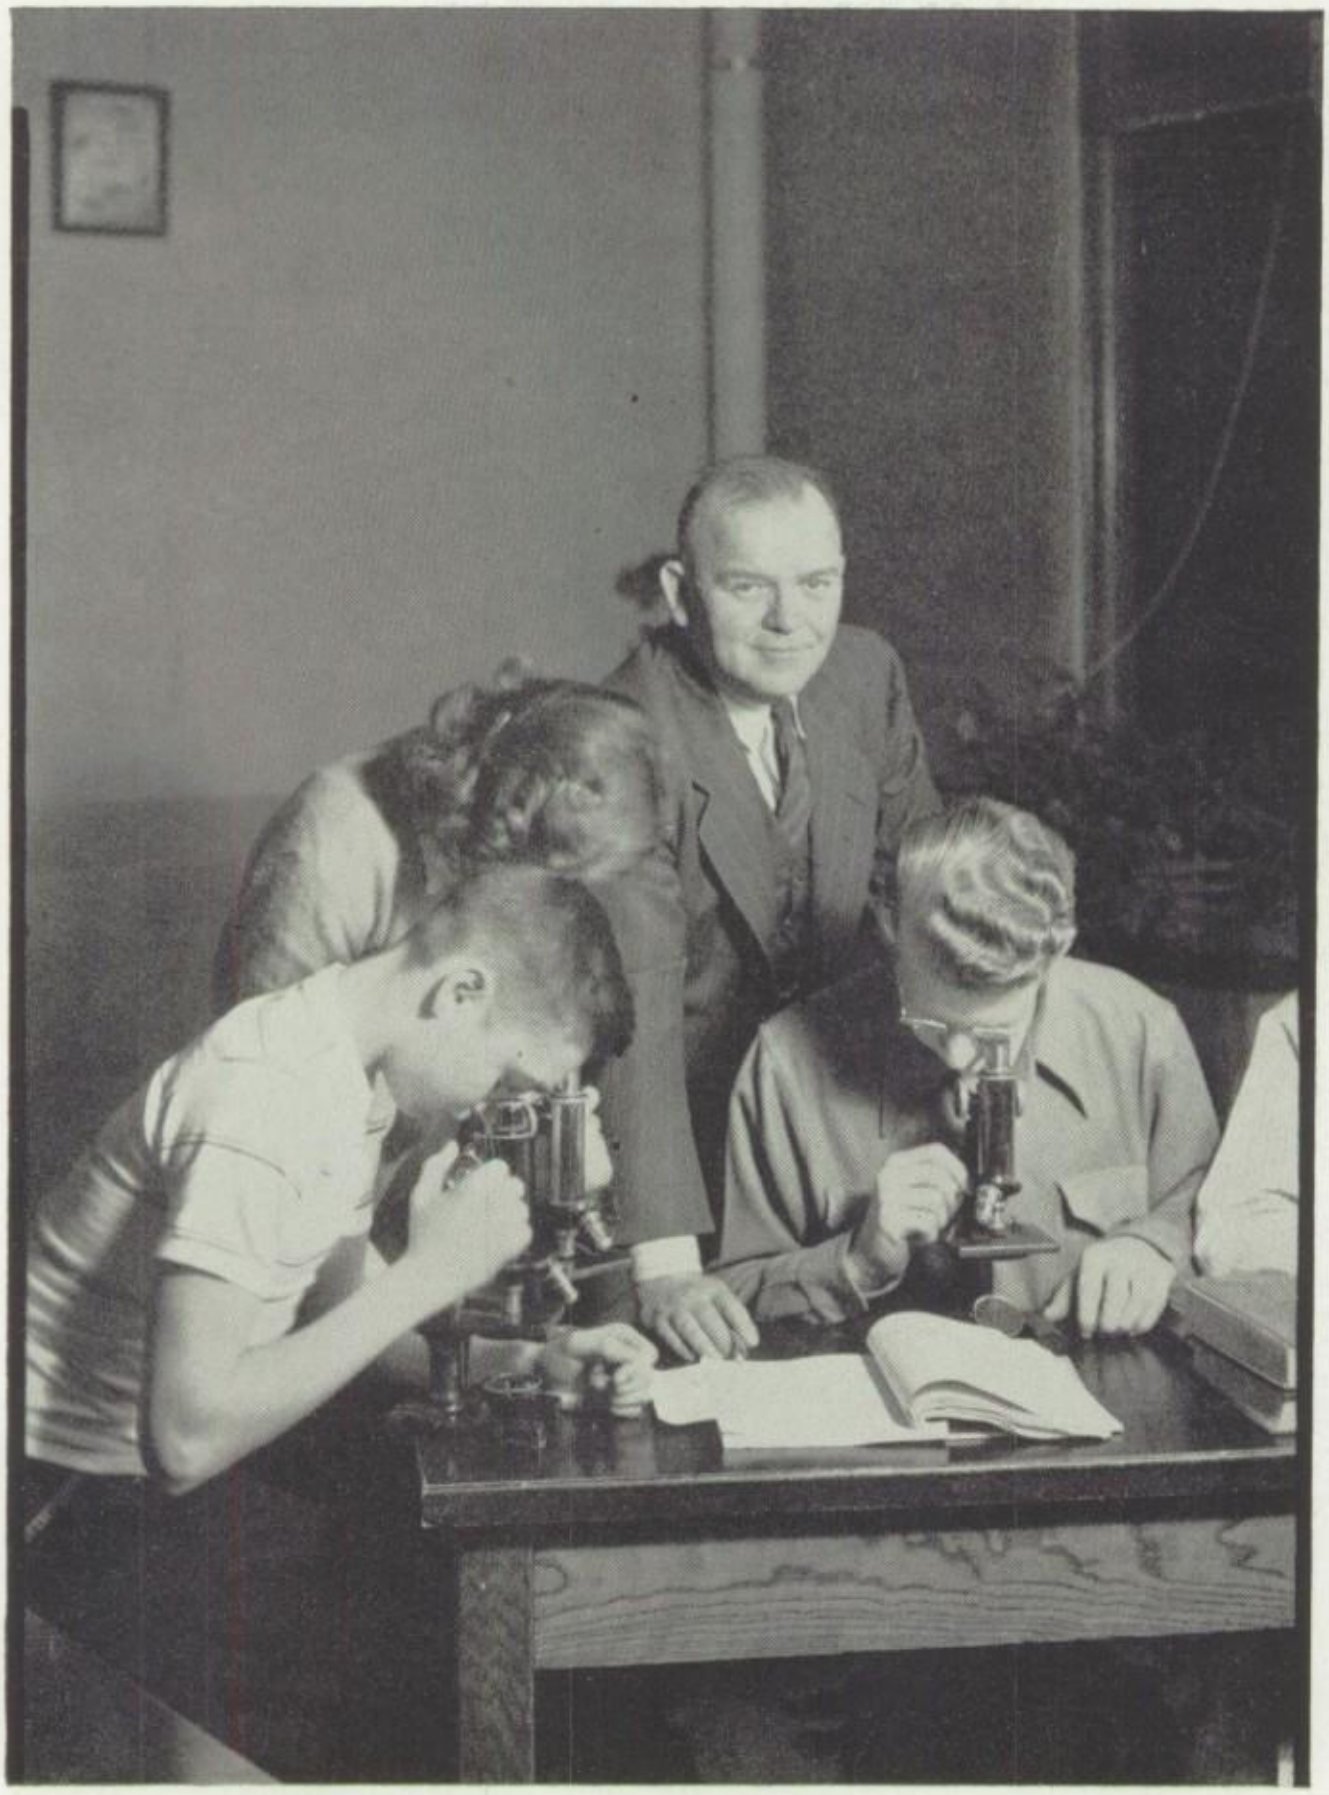
School days, school days,
Dear old Gold and Blue days
Spanish and typing and chemistry,
With basketballs, trombones, machinery.
I was your queen in corduroy,
You were my favorite senior boy.
I said at the Prom,
"I love you, Tom."
When we were in Crawfordsville High.



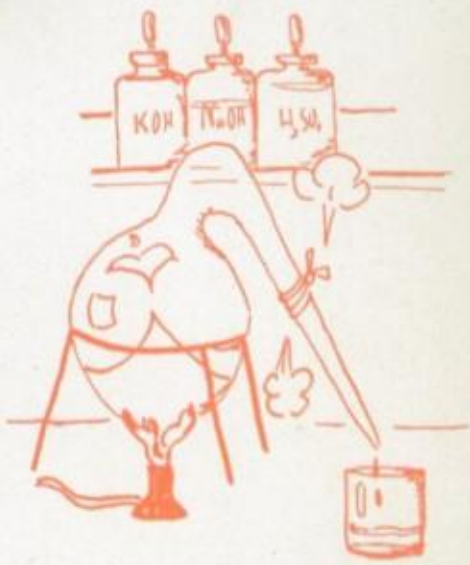




In contrast to the homespun-clad pupil of yesterday, the modern student favors sweaters, senior cords, and bobby sox. Unlike his ancestor who trudged across miles of country to the "Little Red Schoolhouse" in fair or foul weather, today's student may be seen arriving at the modern school by automobile, bicycle, bus, or putt-putt.



From the restricted curriculum based on reading, writing, and arithmetic in the days of the "Little Red Schoolhouse" has developed the broad curriculum of today. In the modern school students may pursue training in college preparatory, commercial, or vocational courses. The modern curriculum has been expanded to meet the needs of the modern student.



Molly B. Hoover Athletic Field

In the days of long ago the open space around the little red schoolhouse became the baseball diamond or the "lot" for the young sports enthusiasts. Today at Crawfordsville High School a fine athletic field complete with new floodlights, fence, scoreboards, and bleachers is a reality.

On September 5, 1947, the Molly B. Hoover Athletic Field was officially dedicated and thus became the scene of all home football games. Miss Hoover, the donor of the grounds, was formerly a teacher in the city schools. We wish we could verbally express our thanks for this generous gift to Molly B. Hoover, benefactress.

Philip Bruner Memorial Organ

In an impressive dedicatory ceremony, a beautiful Wurlitzer organ was formally presented to Crawfordsville High School by Mrs. Idell Cleveland Bruner in memory of her son, Philip Bruner. The guest organist for the occasion was Mr. Gary Sampson of Indianapolis.

Philip Bruner was a popular student in the eighth grade of Crawfordsville Junior High School at the time of his death on September 20, 1946. Philip's memory will be cherished by friend and stranger alike who are privileged to enjoy the beauty of the rich, vibrant tones of this instrument.

MISS JESSIE BANKS

MISS MARY MILDRED SCHWEITZER

Exchange Teachers

From Newcastle-upon-Tyne in Merry England came Miss Jessie Banks, British exchange teacher for Miss Mary Mildred Schweitzer, who sailed to England last August to teach in the Whitley Bay Grammar School in Northumberland.

Miss Banks and Miss Schweitzer are among one hundred and twenty-six teacher exchanges between the United States and Great Britain. By participating in this worthy project, they are making a definite contribution to world friendship and understanding.

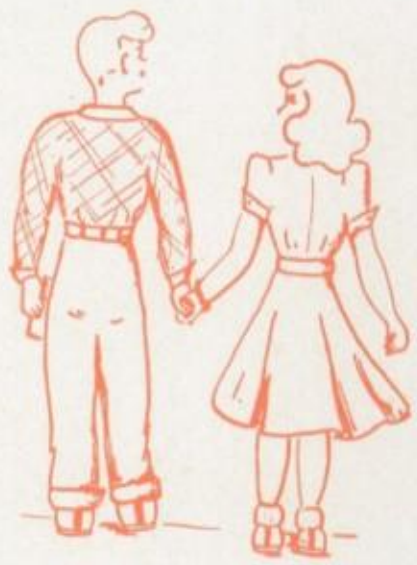
Daily Living

Daily Living instruction is presented to freshmen, sophomores, juniors, and seniors weekly for the purpose of discussing problems pertinent to all youth. Thus students are guided in developing a philosophy of life and in choosing careers.

Two special guidance and vocational programs of joint convocations, group meetings, and personal interviews were held during the year.

CLASS



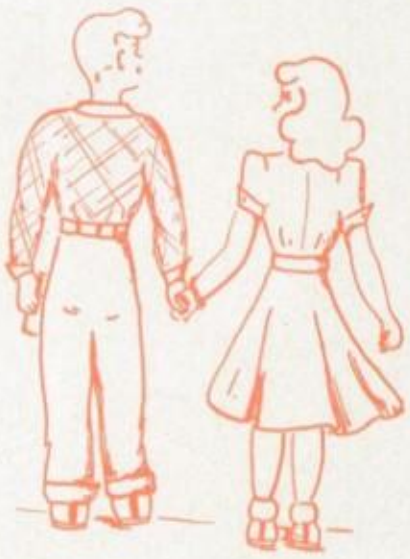
Public Speaking

In the one-room schoolhouse "Declamation Day" with readings occurred every Friday afternoon. Today a modern public-speaking class offers training in all types of oral expression. Proficiency in speech is an asset in all fields of study.

Commercial

Typewriters and mimeograph machines have replaced the slates of long ago. The modern high school offers commercial training to prepare students to take their places in the business world or to help them in their advanced education.

SCENES

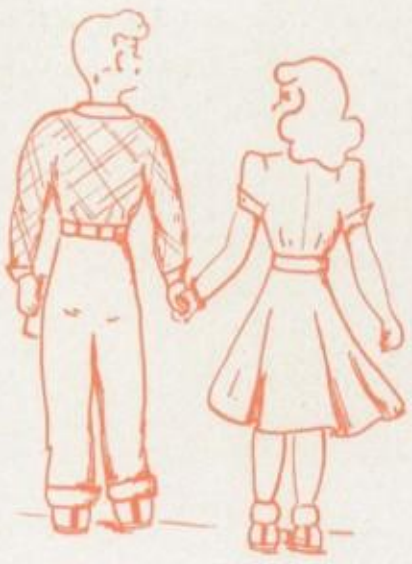


English

The modern English class includes many more activities than the reading, writing, and spelling of the traditional one-room school. The advanced senior English class, for example, has three major projects: an autobiography, a research paper on a vocation, and a short story.

Government

A Senate session is conducted weekly in some of the United States history and government classes. Fiery debate and lively discussion are heard on subjects concerning current world problems and up-to-date issues in the high school.



Library

In a quiet room located in the northeast corner of the building is the high school library which has a monthly circulation of approximately 1,250 books. The school librarian and student assistants cheerfully fulfill their service motto, "The right book for the right person at the right time."

Nurse's Office

"My tooth aches" or "I cut my finger" are familiar cries heard by the school nurse. Modern equipment in the nurse's office includes a Maico audiometer and a Massachusetts vision test for individual testing. Services of the school doctor and school dentist are also available.

Home Economics

The modern school realizes the value of training in home economics. Home economics rooms are equipped with electric stoves, refrigerators, washing machines, and sewing machines. Girls are taught the basic principles of cooking, sewing, and homemaking.

Agriculture

Boys interested in pursuing an agricultural career may find training available in the modern high school. Courses include dairying, animal husbandry, soils and crops, horticulture, poultry, and farm shop.

Student Council

The Student Council is a representative group which establishes the doctrines and regulates the activities of the student body.

"To support all school activities" is the policy of the *Gold and Blue*. The school paper provides an extra-curricular activity for those interested in journalism. In a weekly paper, the editors and reporters effectively write up news items of interest to the school. The school shop under the direction of Mr. Biddle prints the paper.

Throughout the winter months the staff members were busy planning the book, supervising picture-taking, identifying pictures, trimming and mounting glossies, and writing and proof-reading copy.

It is the hope of the 1948 *Athenian* staff that this book will keep alive the memories of this school year.

Awards made according to points are: to those with 150 points, a monogram; to those having 250 points, a letter; and to those with 350 points, a state award, a wall plaque. In addition, each year one girl who has excelled in skill, sportsmanship, and attendance is presented with a sweater. All the awards are presented at an annual banquet.

Their activities have included softball, basketball, volleyball, kickball, and tumbling, which are organized sports supervised by Mrs. Fast. Unorganized activities are conducted on the students' own initiative in such fields as bicycling, skating, hiking, and swimming.

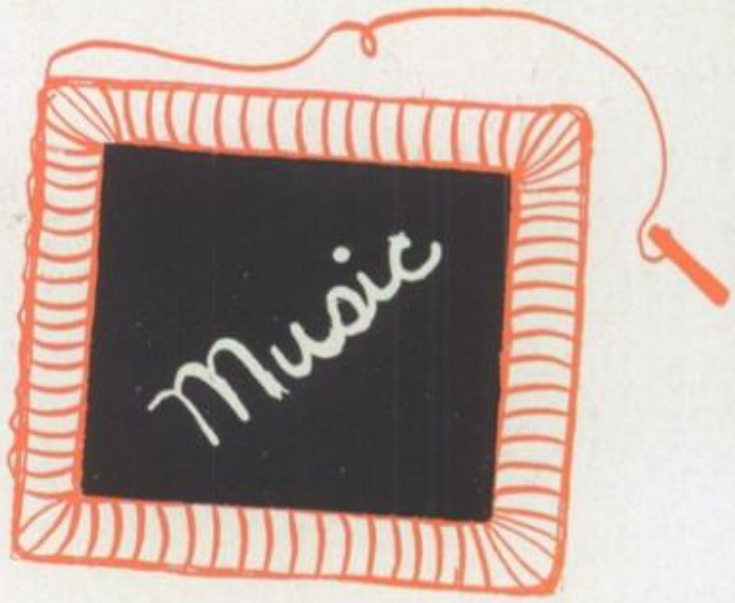
The girls' goal is the attainment of the Junior G.A.A. shield, which they earn through a point system. Ten points are awarded attendance at four out of six meetings in a series, and five points for participating in any unorganized activity for six hours.

A highlight of the year for this group was the sponsoring of a Leap Year Dance for junior high students on February 18. The members also participated in a wiener roast given the first of November.

Officers for 1947-1948 were Mary Patton, president; Rita Scaggs, vice-president; Sara Nelson, secretary-treasurer.

The group is sponsored by Mrs. Fast.

Music



There is no nobler art than music. It is a universal language which men of all ages have found to be elevating, soothing, and inspirational. Its values are recognized in the modern educational program.

The music department of the School City of Crawfordsville is under the capable direction of Mr. Vernon E. Spaulding, Miss Margaret Canine, and Miss Lillian Porter.

Music

How many of us ever stop to think
  Of music as a wondrous magic link
With God; taking sometimes the place of prayer,
  When words have failed us 'neath the weight of care.
Music, that knows no country, race or creed,
  But gives to each according to his need.

Football

Franklin . . . Franklin's Grizzly Cubs spoiled the dedicatory proceedings at the Mollie B. Hoover Athletic Field by downing the fighting Athenians, 13 to 0. The Athenians weren't downhearted, since Franklin hadn't been defeated in two years.

Shelbyville . . . Trying for their first win, Crawfordsville met the surprising Golden Bears from Shelbyville and came out on the short end of a 19 to 6 score. This game proved disastrous in more ways than one, because Bob Hoffman suffered a broken collar bone and Bob Riggs had a finger broken. Both were lost for the rest of the season.

Noblesville . . . The Athenian grid machine got into high gear in the second half at Noblesville and swamped the Millers, 27 to 7. In the second half, Jim Smith raced 70 yards and Graham 40 yards to turn the tide of the game. Tom Thompson kicked three extra points. The entire squad saw action.

Wiley . . . Led by four brilliant backs, the Wiley Red Streaks rolled over our Athenians, 41 to 7. Crawfordsville's only touchdown came in the second quarter on a quarterback sneak by Houston. Thompson kicked the extra point.

Sheridan . . . The Athenians met an inspired team from Sheridan and came out on the short end of a 14 to 7 score. Crawfordsville just couldn't seem to get their running attack started as a determined line constantly upset play after play.

West Side . . . Crawfordsville played one of its better games at West Side. However, they couldn't stop the Red Devils' hard-running back, Friend. The score ended 6 to 0 in favor of the opponents.

Kirklin . . . The Athenians won their second game of the season by thumping a definitely outclassed Kirklin eleven, 19 to 7. Tol Kennedy, Dick Lingeman, and Jim Smith scored the Athenians' touchdowns, and Thompson's extra point added the nineteenth point. The game was played in a steady downpour.

Jefferson . . . Jeff started off with a bang by scoring on the second play of the game. Crawfordsville tied up the game on a pass from Jim Smith to Howard Zachary, but Jeff wouldn't be denied. The score ended Jeff 26, Crawfordsville 7.

Basketball

FRANKFORT—The Athenians lost a heart-breaker in the season opener in an overtime session, 40-36.

NOBLESVILLE—Hitting their stride in the last half, Crawfordsville poured it on to win, 60 to 38.

LEBANON—The Tigers left their claws at home, so the Athenians whipped their ancient rivals by a count of 44-32.

GREENCASTLE—The Tiger Cubs were the victims of the third straight victory for our Athenians, 47-40.

BRAZIL—The local squad was at the short end of a 34-32 score, as the visiting Bricks took a hard-fought conquest.

BLOOMINGTON—Coach Chase's quintet got back to their winning ways as the Athenians trounced the Panthers, 51-36.

GARFIELD—The Athenians proved their might as they rallied in the last half to defeat the highly-rated aggregation from Terre Haute, 53-48.

INVITATIONAL TOURNEY—Both Michigan City and Frankfort downed the local team by scores of 58-56 and 54-48 respectively. Lebanon was the surprise of the day as they walked off with top honors by edging Michigan City in the final game.

WEST LAFAYETTE—Although not up to their usual form, Crawfordsville managed to win, 38-33.

CLINTON—Neither team was hitting to any consistency, but the Athenians were ahead, 39-26, at the final gun.

RILEY, SOUTH BEND—A fruitful journey was taken to the northern part of the state, and the Chasemen brought home a 41-37 victory.

WASHINGTON—The capital city quintet never had a chance as the Athenians extended their winning streak to four in a row, 62-36.

FRANKLIN—It was the Grizzly Cubs who gave Crawfordsville their first bad trouncing of the season, 50-31.

SOUTH SIDE—The Ft. Wayne boys led all the way as the Archers breezed to a 40-25 triumph.

LEBANON—Crawfordsville finally got back to its usual form and crushed Lebanon, 54-43.

MARTINSVILLE—A tip-in during the final seconds was the very slight margin as Crawfordsville edged Martinsville, 49-47.

ATTICA—The Athenians fell before a red-hot Attica five by a close decision, 50-47.

JEFF—Considered by many the best game of the season, the Athenians broke the jinx held over Crawfordsville by Jeff and won 53 to 48.

SHORTRIDGE—The Blue Devils won a decisive victory over the local team in the season finale, 44-36.

Sectional Tourney

Crawfordsville opened the tournament defeating New Market, 37 to 25. The Athenians led all the way and never were threatened. In Crawfordsville's second game they turned back a strong Linden aggregation, 58 to 36. The Athenians led by only three points at the half, but they came back strong to outscore the Bulldogs 19 points.

The Ladoga Canners extended the Athenians more than anyone in the sectional play. Ladoga led at the first of the game, but Crawfordsville caught up and finally pulled away to win 51 to 41.

In the final game of the tournament Crawfordsville met a supposedly tough Waynetown crew. The first half was close, but the Athenians had a good second half to win, 57 to 39.

Regional Tourney

Crawfordsville drew for its afternoon opponent a very small school, Dana. The Athenians never were extended, as they rolled to a 51 to 34 victory. The night game was a different story as the Athenians tackled a red-hot crew from Attica. The Red Ramblers led until the last two minutes of the game. Then the Athenians took command and scored a 52 to 49 victory.

Semi-Finals

The Athenians ended the season by dropping a 43 to 39 decision to a highly-rated Lawrenceburg team. Crawfordsville led most of the first half, but trailed at the gun, 20 to 19. They fought back into the lead but lost it again when Gardner was injured.

Crawfordsville was handicapped because of the illness of Jim Smith and of the injury to Gardner.

Wrestling

This year the local matmen had a successful season. While winning five matches, they lost only two—both to Bloomington—and tied two opposing squads.

Andrews, captain of the team, was the only local grappler to achieve a state champion rating. Andrews wrestled in the 154 pound class and lost to only one opponent during the season. Smith placed second in the state in the heavyweight division. Zachary and Henderson placed fourth at the state in the 97 and 128 pound divisions, respectively. Others on the squad who had a good season were Bullock, Roudebush, and Beebe.

Crawfordsville finished sixth in the Indiana State Wrestling meet as they garnered 19 points.

Seniors

If the senior class has had a prosperous year—if it has had good times—if it could possibly have been considered a "good" class—then much of the credit goes to its officers. Wayne Kessler, as president, was an efficient, popular leader. Don Houston, vice-president; Esther Cowan, secretary; and Bill Duke, treasurer, were able co-workers. These officers led the seniors through their last year in high school—a happy and eventful year for all.

Robert Rutledge, who served as a corporal in the United States Army, 1946-1947, earned a diploma through the General Education Development test.

Senior Story

On a hot, sunny day early in September, the halls of Crawfordsville High School again rang with the sounds of laughing and talking as a new school year began. This year we were the privileged "Seniors" who reigned among the lockers in senior hall and 203, the senior home room.

The second week of school brought with it the selection of the Athenian staff, who took charge of editing and producing the record of our school year.

On crisp, cool nights, we trooped to our new Mollie B. Hoover field to see for the first time night games at Crawfordsville High School.

Along with the dedication of the new field came the dedication of the new organ, a gift of Mrs. Idell Cleveland Bruner, in memory of her son, Philip. This will always be a cherished possession both to us who are to graduate and to those who follow.

The first weeks of school also brought with them the election of class officers. Wayne Kessler and his co-workers, Don Houston, Esther Cowan, and Bill Duke, made able officers to carry out the duties of our senior year.

Late in October the Athenian sales campaign was promoted under the capable leadership of the co-business managers, Jack Phares and Collins Wallace. The girls competed with the boys in the sales, and the end of the campaign found the girls victorious. The senior who sold the most Athenians was Jack Reichard, who was awarded a turkey.

In December the basketball season and the usual round of parties and dances began. The seniors got into the holiday spirit by sponsoring the first "after the

game" dance. The auditorium was decorated appropriately, and we all had a wonderful time.

Also in December the traditional Athenian party was held. This year it was given by the boys for the girls. A dinner preceded the festivities of the evening. The first part of the program was centered in the lunch room with a "Queen for a Day" election. From the candidates including Dorothy Scaggs, Pat Reitemeier, Barbara Simms, and Barbara Polley, Barbara Polley was selected to reign. Besides the usual promises of a new 1948 Swifty electric stove and a trip to Hawaii, she received as material gifts a lovely string of pearls (made of elbow macaroni strung on a wire), and a box of a dozen red roses (made of radishes cleverly cut). The rest of the program was held in the auditorium. This program included a band and many side attractions. Dancing concluded the program. It was a successful evening and a memorable occasion.

During the Christmas holidays, the New Year's Tournament was held with four teams contending for the championship title. This year, for the first time, we elected a tournament king and queen. Esther Cowan reigned as queen, and Bob Stiller reigned as king. The two attendants selected from the senior class were Barbara McKee and Collins Wallace.

January and February passed with the usual round of school dances, studying, basketball games, change of semesters, the music contests held at DePauw and Terre Haute, and the beginning of the tournament season.

The last "after the game" dance featured the annual Valentine dance sponsored by the Senior Girls' Athletic Association. This year the alumni served as co-sponsors. The King and Queen of Hearts were Esther Cowan and Don Houston.

Crawfordsville held the honor of being both the sectional and regional champs this year. We were eleminated in the semi-finals, losing by a very few points.

Early in April, the Junior-Senior banquet was held with Pat Reitemeier and Carter Willis, the senior speakers.

The senior play, given early in May, was one of the highlights of the year.

The most festive occasion of all was the Junior-Senior Prom held the latter part of May.

Sunday, May 23, was the date of the Baccalaureate service held in the high school auditorium. The seniors looked solemn as they walked down the aisle wearing their robes of gold and blue.

The next day was the traditional senior picnic held at Turkey Run.

The Seventy-Second Annual Commencement was held on May 25. The faces of the seniors descending to receive their diplomas were even more solemn than before. Tears were seen in the eyes of some as they left the auditorium at the close of the service.

We, the senior class of 1948, extend to the class which will be the seniors of tomorrow, the best of wishes for a wonderful senior year. May you maintain the spirit and ideals of Crawfordsville High School.

Underclassmen

The underclassmen include not only the freshmen, sophomores, and juniors, but also the seventh and eighth grades. The responsibility of maintaining the ideals of our school rests upon these students. Juniors will soon assume the responsibilities of seniors; sophomores will take their place as juniors; and so on through the classes. To all underclassmen graduation will become a reality all too soon.

Anna Willson Memorial Foundation

The Anna Willson Memorial Foundation was founded on May 24, 1924, by the Crawfordsville High School Alumni Association for the purpose of perpetuating the memory of Miss Anna Willson, who served for twenty-five years as principal of Crawfordsville High School and later as Superintendent of Schools.

In the twenty-five years that she was principal, Miss Anna inspired the foundation of many organizations, among which were the Sunshine Society, the *Non Pareil*, at that time the Honor Society, and *Semper Presentes*, an organization to honor students who were regular in their attendance. Because of her great enthusiasm for athletics, she sponsored many athletic events. She was also greatly interested in oratory and inspired the development of oratory in the high school.

Standing: Mrs. Mary Howard, secretary-treasurer; Miss Mary Booz, president.

Seated: Mr. Clarence Joel, vice president.

In order to realize its purpose, the Foundation encourages the continuance of activities in which Anna Willson was herself interested. The Foundation makes an annual donation to the Sunshine Society so that it may continue its fine work. It also sponsors the Anna Willson Oratorical contest in which Crawfordsville High School students participate for honors and cash prizes.

The Anna Willson Foundation also aids students financially so that they may continue their high school and college education. In conjunction with the Sunshine Society, the Foundation sponsors the Anna Willson-Sunshine Scholarship Fund. Each organization has set aside one thousand dollars, the interest of which is used for this purpose. The money is lent to deserving students who need aid to complete their high school education or to enter college. The money which is used by the Anna Willson Foundation is donated by the many friends and former students of Miss Anna.

C. H. S. Grads

These are the members of the Crawfordsville High School faculty who graduated (we won't say when) from this school and later returned.

In a poll taken in the class of 1948, forty-seven indicated that they are going on for higher education, and nine said that they wanted to enter the teaching profession. Looking forward, we wonder how many will return with positions on the faculty.

Standing, left to right: Miss Maude Arthur, Mrs. Mabel Smith, Miss Dorothea Knight, Miss Margaret Canine, Mrs. Mina Evans.

Seated, left to right: Miss Mary Jane Chesterson, Miss Tisula Nussis, Miss Mary Bowers, J. C. LaFollette, Miss Mary Guilliams, Mrs. Lucile Reddish, Mrs. Pauline Biddle.

Alumni

The oldest living graduates of Crawfordsville High School are Miss Hannah Muhleisen of the Class of 1883 and Mr. I. N. Miller of the Class of 1882. Miss Muhleisen served for many years as a teacher in this school and was principal for one year during an illness of Miss Anna Willson. Mr. Miller, who was formerly associated with the Graham Department Store of this city, now resides in Frankfort, Indiana.

The youngest graduates are both from the Class of 1947. Anne Rudy is employed by Dr. J. M. Kirtley, and Gene Everett is employed at the J. C. Penney Store.

SCHOOL OPENS FOR YEAR

Over 900 Students Enroll

Sept. 2 (C. H. S. News Service) Early Tuesday morning an annual event occurred at the Crawfordsville High School. Over nine hundred students were present for the opening of the school year of 1947-48. However, despite this, the mournful looks were erased from the faces of the students the following Friday with the dedication of the Molly B. Hoover Athletic Field. The spirit of this dedication overrode the 13-0 defeat handed to the Athenians that night by Franklin High School.

Sept. 12. The Athenians again suffered a football defeat—this time from Shelbyville. However, this only served to spur the Crawfordsville team on to win over Noblesville the following Friday with a 27-7 score.

Sept. 17. An impressive meeting was held in the school auditorium. It was at this time that the Philip Bruner Memorial Organ was dedicated. This fine organ was given by a loving mother in memory of a fine son.

Crawfordsville played one more game this month. This time the opponent was Wiley. At this game the Band was all lit up. (With lights on their hats, that is.) The game was lost 41-7.

Emanuel Mansfield Sings Before Student Body

Guidance Clinic Held

Oct. (C. H. S. News Service) The month of October was joyfully opened to melodious notes issuing from the throat of Emanuel Mansfield, the well-known tenor. Mr. Mansfield entered a personal note into his program by putting Howard Zachary's name into one of his songs.

The following Friday the Athenians

met a hard-fighting team from Sheridan. The game was lost by the Athenians after a hard battle.

Oct. 6 and 7. The school was fortunate to have Mr. and Mrs. Frank Liddle here to hold a guidance clinic. Through this clinic many questions and problems were answered and advice was given.

Oct. 10. This day marked the end of the first six weeks, and the following Thursday the glad or sorrowful tidings (whichever the case may be) came out in the form of report cards.

Oct. 22. Students were released for the rest of the week. This, however, was a vacation just for students, because the teachers left to attend the Indiana State Teachers' Association meetings.

SSS Sponsors Harvest Hop

Basketball Season Opens

Nov. 7 (C. H. S. News Service) The Sunshine Society opened the month with a bang for everybody. The members sponsored a harvest hop for the Senior High. The Purdue Folk-a-Whirlers were here to be sure everyone had a good time.

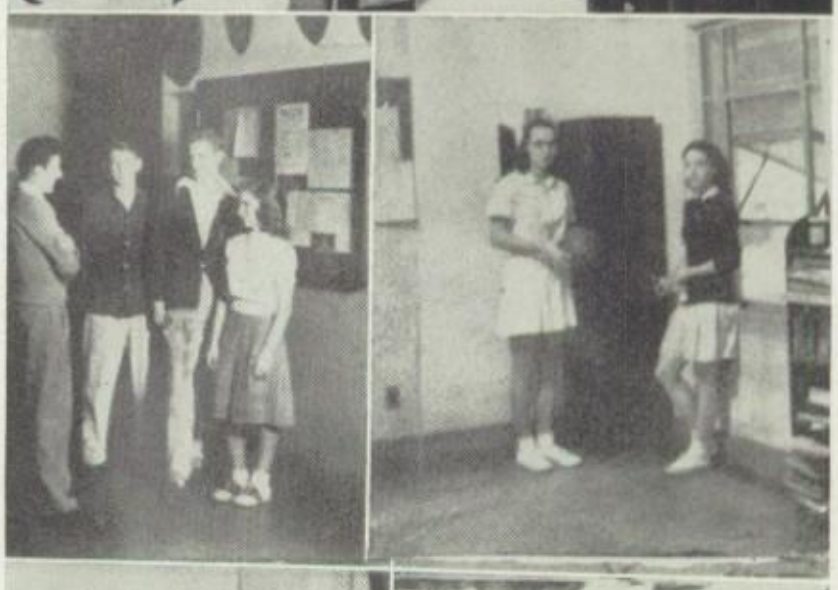
Nov. 21. The basketball season also opened. Our first game was at Frankfort. The Athenians lost 40-36, although the game went into an overtime.

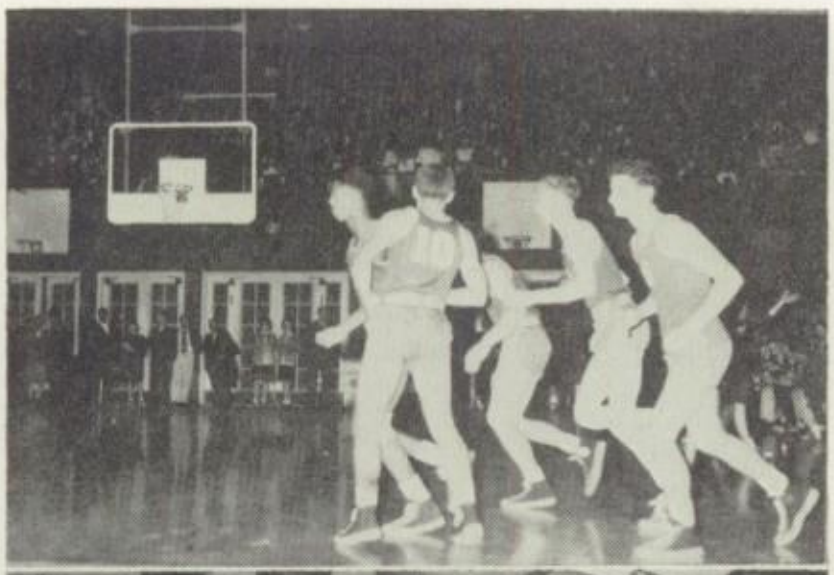
Nov. 25. The team went to Noblesville and defeated the Millers, 60-38. The month ended in the best of spirits as all the students were excused for the Thanksgiving holidays.

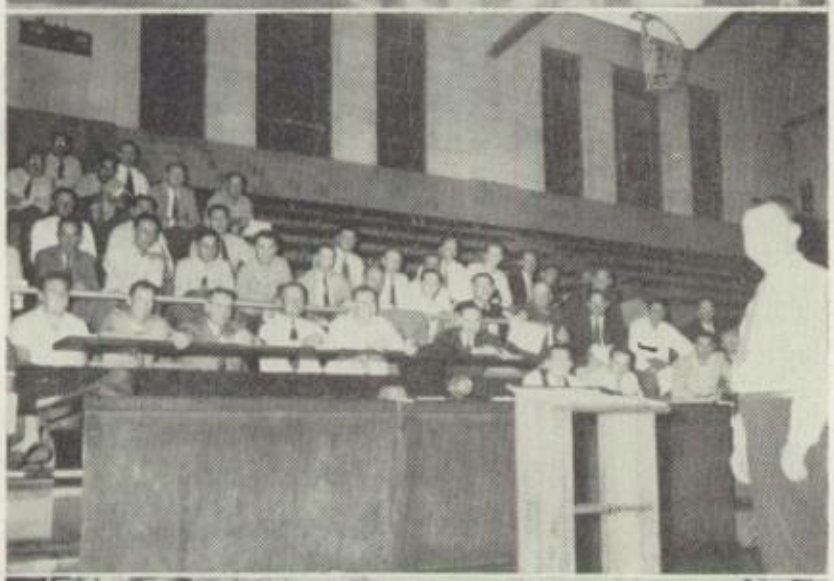
Senior Boys Treat Senior Girls

Athenians Upset Garfield and Bloomington

Dec. (C. H. S. News Service) December came in like a pallbearer with the students re-entering school after the Thanksgiving vacation. It was a sad occasion, but the Speech Arts play soon rolled around and everyone brightened up. "Roughly Speaking" was a huge success.







Dec. 12. The Senior boys, gallant losers in the Athenian sales campaign, provided entertainment and refreshments for the lucky winners, the Senior girls. The program was highlighted by the "Queen for a Day" elections. The different contestants were given many unusual and exciting prizes.

Dec. 5. This day marked the date of the Athenians first home basketball game. The Athenians trounced the Lebanon Tigers, 44-32.

Dec. 17. The Music Department performed in a Christmas concert given in the school auditorium.

Dec. 23. School was closed for the Christmas holidays. The Sunshine girls and the A. B. C. boys delivered Christmas baskets to the needy.

Before the finish of the month Crawfordsville added a few more victories to their tally by conquering Garfield and Bloomington, two of the best teams in the state.

Students Watch Arrival of New Year

Flanigan Wins Oratorical Contest

Jan. (C. H. S. News Service) The old year, 1947, was ushered out, and the new year, 1948, was ushered in by many students enjoying a lengthy Christmas vacation.

Jan. 6. The Athenians traveled to West Lafayette to the Purdue Field House and conquered the Red Devils, 38-33.

Jan. 10. After a trip of over 100 miles to South Bend, the Athenians—supposedly the underdog—dropped Riley, 41-37.

Jan. 27. Six orators gave speeches in the Anna Willson Oratorical Contest before the entire student body. Bill Flanigan placed first; Pat Cramer, second; and Robert Riggs, third. Richard Lingeman won the local American Legion Contest.

Juniors Present Play

Athenians Win Over Jeff

Feb. (C. H. S. News Service) Just three days after the beginning of the month the Athenians played an exciting home basketball game, edging out Martinsville by two points.

Feb. 12. Mystery and intrigue entered the school with the presentation of the Junior play, "Stranger in the Night." With near murder, assault and battery, and love interests, the play presented an entertaining evening for everyone who attended.

Feb. 13. The Athenians upset the Bronchos from Lafayette, 53-48. Previously the team from Jeff had been rated second in the state. Following this game, the annual Valentine dance was held with Esther Cowan and Don Houston reigning as Queen and King.

Feb. 20. The regular basketball season ended with a game at Shortridge.

Feb. 28. The Athenians won over four of the toughest teams in the county to win the sectional.

Athenians Capture Regionals

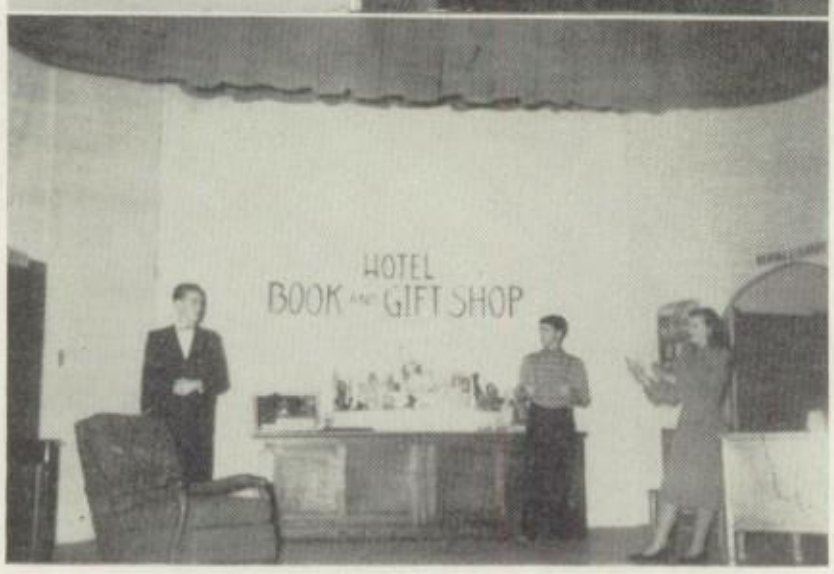
Win Over Attica, 52-49

March 6 (C. H. S. News Service) The Athenians were hosts to teams from Dana, Greencastle, and Attica. Winning over Dana, and conquering Attica by three points, the Athenians grasped the Regional Crown for this year.

March 13. The team traveled to Indianapolis for the Semi-Finals, but were edged out by Lawrenceburg Tigers, 43-39.

March 24. School was closed for Easter vacation.

March 30. Easter recess ended at 8:10 a. m.



Junior-Senior Banquet Held

Speech Arts Gives Play

April 2 (C. H. S. News Service) The Speech Arts Club presented a three-act play entitled "Strictly Formal." Miss Gierz directed the play, and a competent cast helped make the production a success.

April 9. The Seniors and Juniors gathered together for the annual Junior-Senior Banquet. Excellent courses were served and superb after-dinner speeches were heard. Some Seniors were overhead wishing they weren't graduating.

April 13. The Music department again put on a concert. The Chorus traveled to Lafayette for the District Choral Festival at Jefferson High.

May 7 (C. H. S. News Service) The Seniors put on the annual Senior play. This was the last time any Seniors would be in a play as students of Crawfordsville High School. Bearing this in mind, the Seniors put on an almost faultless performance to the delight and pleasure of the audience.

May 11. The Music Department presented its last concert for the year.

May 21. With a rustle of formals and beautiful corsages, Seniors and Juniors flocked with dates and escorts to the annual Junior-Senior Frolic, commonly known as the "prom".

May 23. Baccalaureate exercises were held, and the Seniors in their caps and gowns presented to the public a picture of a fine graduating class.

May 24. The Seniors held their annual picnic.

May 25. Today the Seniors again put on their caps and gowns. This time it was for Commencement. In this seventy-second commencement, over 120 students received diplomas. At the conclusion of this ceremony the former Seniors were graduates of C. H. S., and others had stepped up to take their place for the coming year.

Custodians

As we enter the school building in the fall, the first people we may see are the custodians of the school. It is very likely, too, that they will be the last ones to wave good-bye to us in the spring when we leave.

We know, perhaps, many of the duties of these men during the time we are in school. We know that they clean the rooms, keep the fires going, and perform numerous other jobs. When we empty our lockers and leave school for the summer, however, our janitors are still at work. During the summer months they wax the floors, wash the windows, clean the walls, and do many other things which help to make Crawfordsville High School a neat, attractive building.
